

Coolaney Utd Social Media Policy

1. No images, recordings or pictures may be used for publication or promotion by the club in newspapers, Social Media or any other public or electronic forum without prior consent by parent/guardian.
2. Coaches are not permitted to use their personal Social Media accounts to ridicule or tarnish the name of Coolaney Utd, young people / officials, opposing teams or any other coach by name or reference.
3. Failure to comply with this may impose sanctions at the discretion of the committee where there is evidence of misappropriation. A meeting will be called by the committee and the coach in order to afford the coach the opportunity to respond and explain the matter in hand. Depending on the severity of the allegation, a coach may be asked to stand down from their duties. In certain situations, the coach may be recommended to become familiar with Coolaney Utd's Social Media policy in conjunction with the official FAI Social Media Policy.
4. There will only be one official account for Coolaney Utd youths. Any coach wishing to post information to this account can do so through the relevant personnel once all the information is verified and accurate at the time of posting.
